FOR IMMEDIATE RELEASE

Vita Capital Announces the Acquisition of Scadata

Mobile, AL – October 4, 2019 Vita Capital announced today the acquisition of Scadata. "We've known the Scadata team and products for years and we are excited to accelerate the company's growth and broaden the product portfolio." says Dean Parker, CEO of Vita Capital.

Vita Capital will invest in back office tools, production facilities, and technology to increase customer service levels and helped map out the next generation of Scadata's Industry-leading SCADA/Telemetry suite.

All Scadata team members will remain with the new company, including founder Kevin Stock. "The Vita Capital investment is going to ensure our growth into new segments, and serve our existing customers more efficiently. Personally, I'm delighted that they chose to join us." says Stock.

The transaction closed on October 3, 2019.
